Thanks!

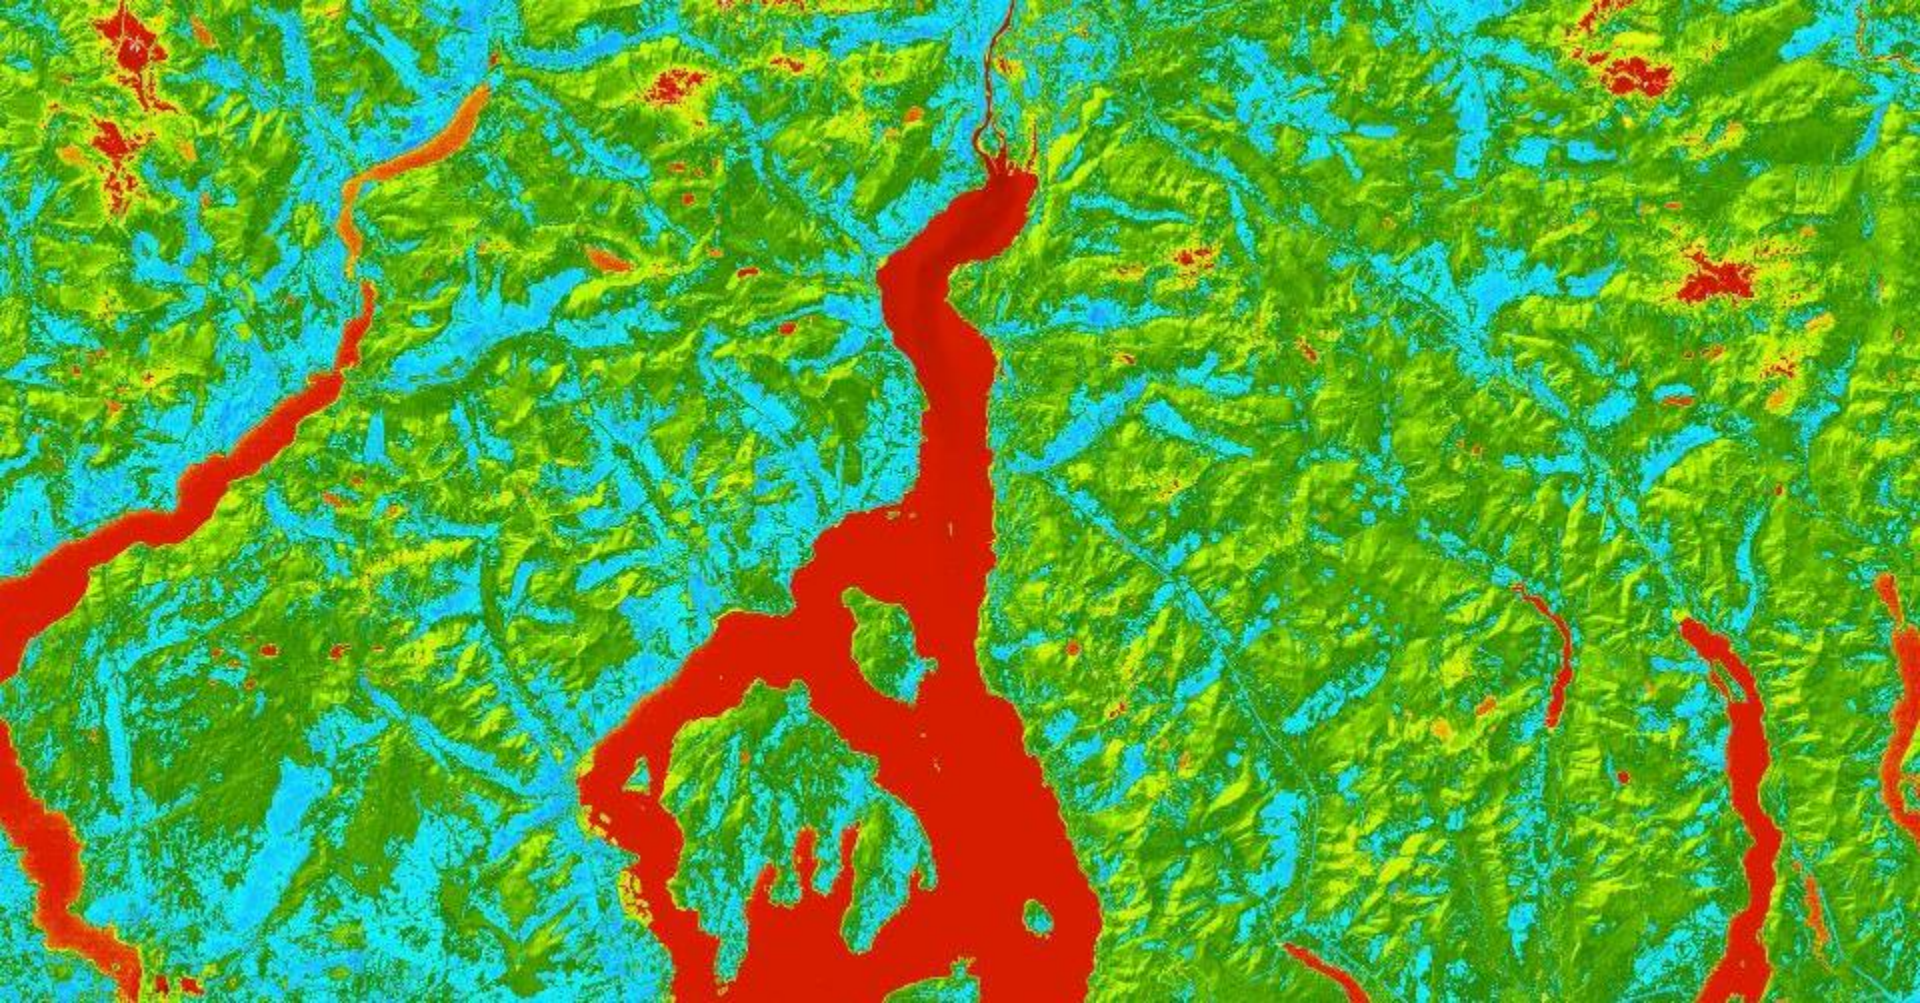

The background is a dark, moody scene with a large, spiky creature, possibly a dragon or a large monster, in the upper half. The creature has many sharp, dark spikes protruding from its back. In the lower right, there is a glowing, circular object that looks like a shield or a piece of armor with a red and white checkered pattern. The overall lighting is dim and orange-brown, suggesting a sunset or a fire. The text is overlaid on this scene.
